

# OUTBREAK Extra Expense

## Recently in the *News!* New England Salmonella Outbreak

### *Outbreak Extra Expense* *...DeCotis does that!*

#### Coverage Highlights:

- Covers or responds to suspensions initiated by a public health official due to infestation of vermin or pests & communicable disease; a wide variety of contagions including flu, e.coli, salmonella and many other viral and bacterial contagions
- Covers suspensions due to a workplace violence event initiated by fire, law enforcement or other empowered public official
- Coverage begins at 12:01am the day following notice
- Location limits to \$50,000 per day

**Did you know that a local business recently paid \$60,000 out of pocket to eradicate Bed Bugs?**

An Outbreak Extra Expense Policy also responds to a wide variety of vermin or pests such as **BED BUGS**. The policy provides a per day, per location payment upon suspension of operations by a public health official due to a covered infestation by vermin or pests. Outbreak Extra Expense will provide coverage for up to 30 days for suspension of operations due to an infestation.
